Price POA

Material: Steel, Stainless Steel or Aluminium

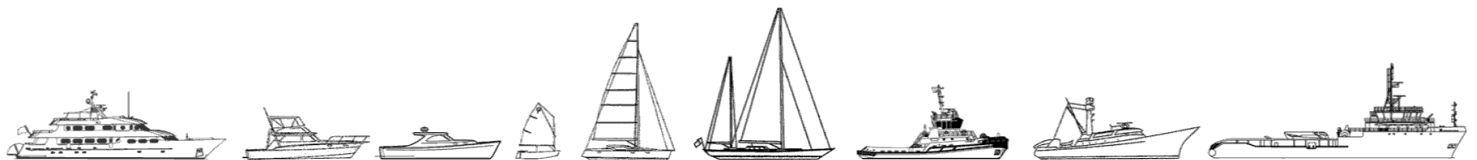

Technical Description: Small to medium workboats fitted at the stern with twin screw propellers for propulsion and two bow propellers that are star-shaped, independent and adjustable in depth, adapted to the cutting of algae. These are particularly suitable for the opening of waterways in dense vegetation.

Dimensions and working characteristics are defined in collaboration with the customer

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
