Price SOLD

Based in Ukraine Vector Ribboat is a very experienced builder of aluminum hull, rigid inflatable boats. They have an extensive catalog of models for both professional and recreational use that SeaBoats are proud to market all over the globe.

The RIB 900-P model has been specifically developed for commercial operators who need a tough boat suitable for tourist services of various types. The standard layout can be customized and a variety of optional items (diving ladders, air-bottles racks, etc.) can be added to address any operational requirement.

With a weight of 1600 Kg and a width (with deflated tubes) of 2,45 mt, RIB 900-P can easily be trailered and the shipyard can arrange delivery anywhere at reasonable costs.

Standard features include

Deep “V” powder-coated aluminium hull with SELF-BAILING cockpit, doubled drains, transom extensions, motor well, bow locker, keel guard

Lifting eyes

6 chambers Valmex or Hypalon buoyancy tubes

comfortable passenger seats

spacious deck with an antislip surface

high capacity of fuel tanks

Removable collar technology (to easily replace tubes if necessary)

Two paddles, high-efficiency foot pump

Repair kit and manual

RIB 900 has a payload of 1575 Kg, with a capacity of 12 passengers. Power is single or double outboard, up to 500 Hp maximum.

Built to be strong and reliable Vector RIB 900-P is a perfect choice if you require a safe and versatile platform, able to perform in all sea-conditions.
