Designed as a no-compromise machine for assistance work in the race-fields, Bravo 6 is the perfect choice if you require a boat for Coach, Support, Race Committee, Jury or Press work.

Main characteristics include:

- Excellent manoeuvrability
- Easy planning
- Ergonomic interior
- Over 40 knots with a single outboard of 60 to 100 Hp
- Construction is quadriaxial fabric, vacuum infused, with Orca Hypalon collars.

A variety of additional features add comfort and reliability: easily self-draining cockpit, top quality seating system, built-in waterproof storage, sunshading.

The boat has full CE certification with a capacity of 6 passengers.

Maximum load: 600 Kg

Available with Suzuki or Yamaha outboards

Thanks to its excellent design and a construction technique that reduces weight, Bravo 6 needs very little fuel: with the 60 HP engine consumes 3,3 litres of fuel per hour, while the 70 HP consumption is just 5 litres.

Bravo 6 is easily trailered and can be shipped anywhere in container.
