Characterized by a seaworthy hull, huge cockpit area, economy of operation and maintenance free construction, the boat is designed and built to address the needs of dive and tour operators who want to offer the best to their clients.

This powercat workboat is ideal for small resort owners, passenger runs, dive operations, and surf charters. With several units already delivered and in service in various parts of the world, the NXT 35 DC is characterized by excellent performance and good load carrying capacity.

She is ideally suited for the Mediterranean or tropical climates with drop down clear screens and the layout can be customized to suit your operation.

The main characteristics of this powerful and compact commercial catamaran are :

Hull length 10.1m

Total length including platform 10.8m

Very strong aluminum construction

Outboard (gas or diesel) twin 300 hp and up.

Speed 35+ knots

16 pax capacity

The catamaran is available in a variety of configurations and can be customized to meet an operator's exact requirements. The hull is standard but the cockpit layout can be easily modified and is basically designed in cooperation with the operator.

Options include :

Different seating arrangements for up to 24 seats

Cargo capacity to 600 Kg.

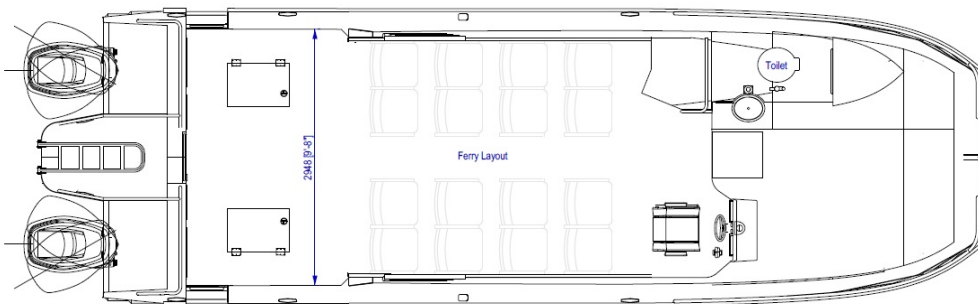

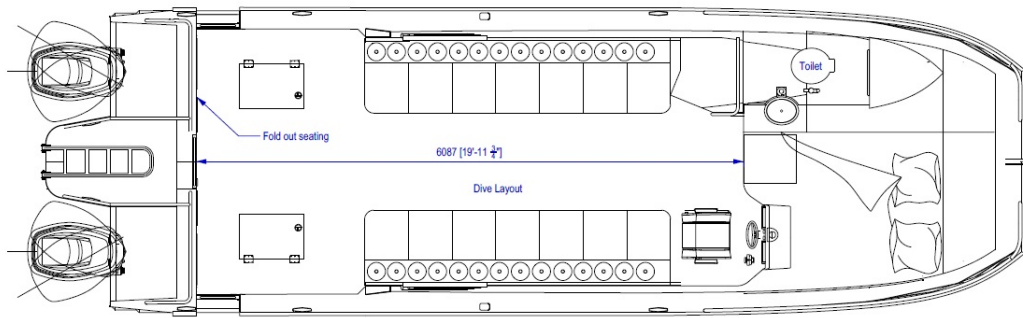

Side doors

Luggage room

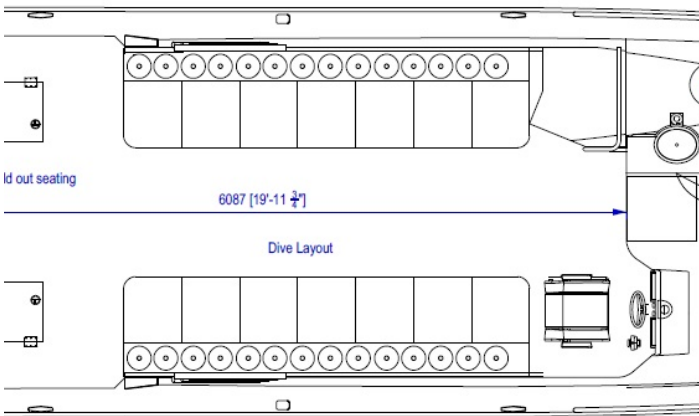

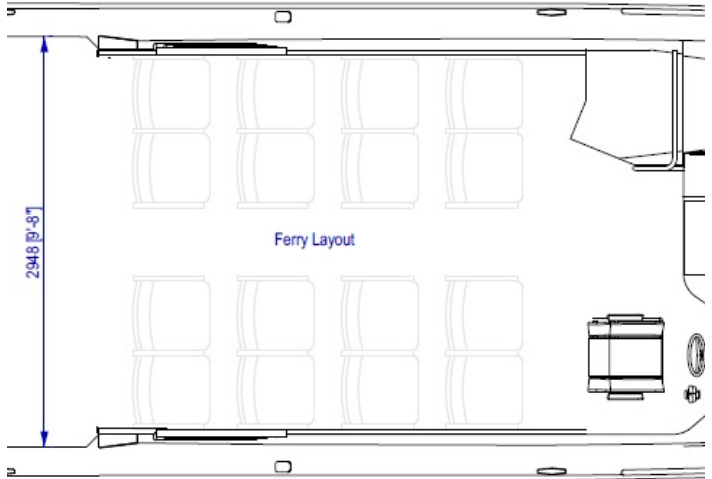

Small crew cabin with one double berth

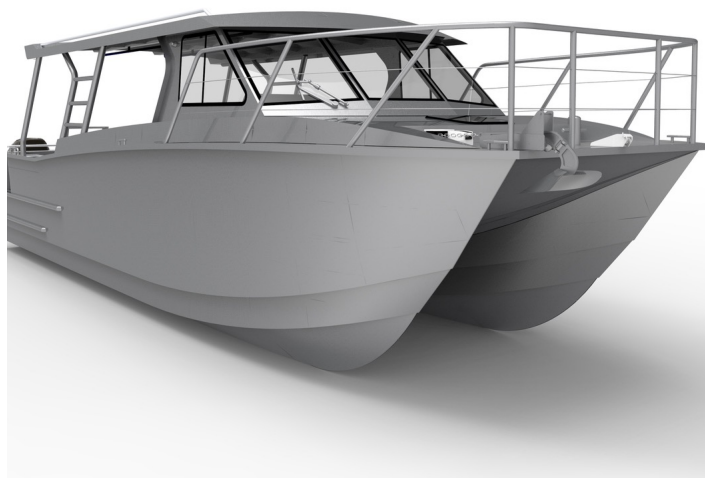

Dive ladder

Surfboard rack
