Freedom 28: Highspeed wave piercing monohull panoramic curved glass windscreen.

Sliding weathertight glass aft cabin door

1/4 5086 bottom plate, 3/16 5086 side plates. 22 degree stepped V-bottom with flat and reverse chines.

Commercial CWB certified fabrication standards with Full length 3/8 thick in impact keel

LOA: 29'-8"

Beam: 9'6"

The Freedom class is a safe, comfortable high performance express boat, aimed at people who want a versatile boat that can be used for many marine activities but mainly gets them from A to B safely, and as fast, efficiently, and comfortably as possible. Its wave piercing bow and double-stepped hull design enables you to use your boat faster and more comfortably than traditional boats in comparable sea conditions. It is designed to travel as smooth as possible and safely at high speed even in serious wave conditions. As a consequence of its thick gauge welded

aluminum construction, the hull can resist extreme debris impact even at high speeds, it will retain its value over time significantly better than any fiberglass boat, and require less maintenance, resulting in a lower cost of ownership over time.

Freedom 28 performance:

- 55 knot top speed;
- entirely comfortable 40 knot cruise @ 4000rpm
- super strong construction delivers debris impact resistance
- approximate range at 40knots: 250 nautical miles
- fuel consumption: 2 l/nm @ 40knots (or 2 nm/US Gal)

Freedom 28 standard features:

- Military grade welded aluminum hull, cutting edge wave piercing bow with double stepped high speed bottom design;
- Offshore 22 degree deep-vee, reverse chine bottom
29.5" LOA with 8'6" beam (fully trailerable); wet weight 8027 lbs;
- 3/8" 5086 aluminum Keel stem and Transom; 1/4" 5086 Bottom; 3/16" 5086 aluminum sides, 1/8 5052 press formed aluminum cabin and interior;
- reverse sloping laminated 8mm safety glass windshield, glass aft sliding door and slide opening side windows with bug screens
- Webasto 40 Series Marine Glass power sunroof with bug screen and sun shade.
- matt finish paint
- twin 300hp Mercury Verado V8 outboard engines
- 500l fuel tank
- 6'5" headroom in main cabin;
- Dimmable LED cabin and cockpit lighting throughout
- Webasto EVO 40 diesel cabin heating system;
- Bluetooth integrated stereo system
- "Glass Dash" with C-zone system allows controlling/switching/viewing of all systems from twin 12" Garmin touch screens, c/w GPS, ClearVu depth sounder;
- sleeps 4: full 6'6" twin V-berth, electric head, mini galley, convertible seating in cabin;
- In-cabin seating for 6, including ShockWave S2 Corbin high back flip bolster, shock mitigating pilot and co-pilot seats; all custom upholstered to your chosen colors.
- Collapsible color matched upholstered lounge seating for 4 on aft deck;
- Ample storage throughout;
- Seadek flooring with customizable colors throughout;
- Electric anchor system, fully operable from pilot seat;
- 15 Gal fresh water tank for galley and outdoor shower;
- Concealed S/S telescoping swim ladder.
- Rocket launcher Rod holders
- Scotty 60 inch telescoping Electric Downriggers
- As configured per above, Freedom 28 is priced at \$495K CAD; our custom build process allows you to configure yours, exactly as you would like to it see equipped.
- Options include, but are not limited too: bow thruster, joystick steering/trolling control, twin 400hp engines, aft deck or cabin table, Radar, FLIR thermal night vision, custom aluminum trailer.....

STANDARD FEATURES

1 Welded aluminum cabin with curved windshield incl.

- 6 S/S hideaway cleats incl.
- 1 12V power socket with USB port & LED light incl.
- 3 Battery – individual engine Batteries and a house battery with automatic Voltage selectors incl.
- 1 Bilge pump – 1500 GPH pump – automatic on/off
- 1 Hydraulic Power steering – twin cylinder single station incl.
- 2 Brackets for transducer & sacrificial anode incl.
- 1 Anchor locker in Bow incl.
- 1 Built in large capacity fuel tank – 550 litres incl.
- 1 Welded aluminum storage cabinet aft of cockpit incl.
- 1 Skylight window in cuddy cabin incl.

MISCELLANEOUS OPTIONS

Ace Line hauler crab pot puller (100 lbs.), mounted with power plug

2 Downrigger – Scotty Depthpower 60” with mounts & plug wiring

Upgrade to Shockwave S3 suspension seats with custom upholstery

Electric wiper system – heavy duty wiper with sync module

Electric flushing head (no holding tank)

Fire extinguisher – 5lb (mounted on aluminum bracket)

NAVIGATION & ELECTRONICS OPTIONS

Compass – surface mount

2 Garmin GPS map 7612xsv

1Airmar S/S flushmount Thru hull transducer

1 Garmin integrated radar

1 Garmin Blackbox VHF

1 Czone Digital switching module

1 Fusion N2K Black box Stereo System

1 Webasto Diesel Heating system ducted throughout cabin

PAINT/DECAL OPTIONS

Trilux ll bottom paint (18'- 21')

Boat exterior full faired/ interior Paint Job

FLOTATION & PUMP OPTIONS

Bilge pump upgrade – 1600 GPH

Level 1 polyurethane Spray foam deadening/flotation

Level 2 Sound tile & spray foam hull sound deadening/floatation

Level 3 Sound tile & spray foam hull & cabin sound deadening/floatation

Manual whaler pump

Upgrade to 1500GPH bilge pump

Deck wash down pump

POWER & STEERING OPTIONS

2 Twin Mercury 300XL fourstroke

2 Mercury Verado 400

1 Rigging & installation

Mercury 8 MLH Kicker

Installation of auxiliary motor incl. engine oil, fuel & sea trial (remote only)

Stainless steel tie-bar to connect auxiliary motor

TRAILER OPTIONS

MAKE/TYPE: Jasper Marine Customs Built Aluminum bunk trailer

Includes: Tongue Jack, electric over hydraulic S/S disk brakes, and (2)tie-downs

Alloy wheels and LED lighting
