The Freedom 35 is a scaled up version of our Freedom 28 so that there's enough room for proper liveaboard cruising with the same unparalleled performance. This boat will allow you to cruise comfortably at 40+ knots with ease for long distances in less time. With a state of the art anchor system this boat is a dream come true for people looking to explore the expanses of coastal waterways and fjords with ease and comfort with more time spent nestled at anchorages enjoying the beautiful surroundings through the panoramic glass cabin views. The cabin can be closed and the heater on for less favourable weather or in the sunshine the glass sunroof and sliding windows and door can be opened to truly blend indoor with outdoor living. There is a full galley, head, shower, wash basin and roomy twin berth. Indoor and outdoor dinette, easy access do lower docks via the swim grid or higher docks via the Starboard side fold down steps incorporated in the Gunnel. The concept is shown above with Triple outboard power but inboard diesel and gas are also options. Being a custom built aluminum boat we can discuss any options you may want to add and incorporate them seamlessly.
