2019 Hanse 588 yacht presented in "as new" condition and is fully equipped for cruising with family and friends. The trademark fast hull line and impressive sail plan comes from the pen of Judel/Vrolijk & Co, one of the world's best and most experienced yacht construction engineers. Built in 2019 and delivered in the autumn of 2019, this yacht has only seen very light use. Her hull is constructed of a balsa-cored fiberglass sandwich laminate set in polyester resin with an exterior layer set in vinylester for improved osmosis resistance. The deck boasts full Synthetic-Teak Decks, along with a fixed GRP Bimini and electric furlers and winches. Below decks, her accommodation boasts a spaciouly sized saloon, large skylights and portholes, together with three comfortable cabins with en-suite heads. Available now!
