NEW BUILD - Mini Harvester

Listing ID - 2172

Description	Nettuno Motobarche HARVESTER MINI
Date Launched	Built to order
Length	4m (13ft)
Beam	1.6m (5ft 2in)
Draft	0.3m (11in)
Location	ex factory, Italy
Broker	Giuseppe Filippone giuseppe.filippone@seaboatsbrokers.com +39 329 886 8343
Price	POA

Length : Mt.4.0

Beam : Mt 1.60

Draft : Mt. 0.30

Weight : Kg. 1600

Power (standard) : 1 X Kubota V2203 MY3, 50 Hp Diesel engine

Nettuno Motobarche is an Italian shipyard specialized in river, shore and harbour maintenance workboats. They design and build aquatic weed harvesters in a range of sizes to meet all needs with many models in service in various parts of the world.

HARVESTER MINI is the smallest in their range and it is designed for easy transportation and deployment. This workboat is especially developed for removing plant growth from embankments and waterway, and thanks to her a limited draft and compact size can operate very close to the shore and in areas where larger vessels would not

be able to work.

These environments are usually very hard on machinery of any kind and in order to withstand years of hard use and neglect HARVESTER MINI is entirely built in stainless steel with the added protection of an epoxy coating.

The boat can be equipped with a variety of cutting devices to be able to operate even in difficult situations. There are also additional features that can be added to the standard model, including protection for the pilot, storing tanks, etc.

Engine maker and fuel tank capacity are per Owner's requirements.

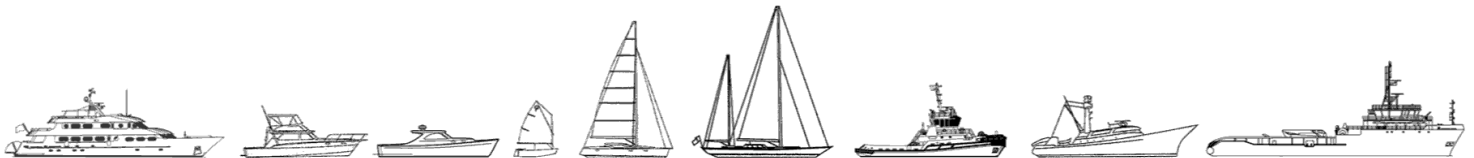

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
