Characterized by a seaworthy hull, huge cockpit area, economy of operation and maintenance free construction, the boat is designed and built to address the needs of commercial operators or pleasure boaters who want a fast and very tough small catamaran, suitable for serious work even in difficult conditions.

This powercat workboat is ideal for small resort owners, passenger runs, dive operations, and surf charters, the NXT 29 CC is characterized by excellent performance and good load carrying capacity.

She is ideally suited for the Mediterranean or tropical climates with drop down clear screens and the layout can be customized to suit your operation.

The main characteristics of this powerful and compact catamaran are :

Hull length 9m

Total length including platform 9.7 m

Very strong aluminum construction

Outboard (gas or diesel) twin 150 hp and up.

Speed 30+ knots

The catamaran is available in a variety of configurations and can be customized to meet an owner's exact requirements. The hull is standard but the cockpit layout can be easily modified and is basically designed in cooperation with the operator.

Options include :

Larger center console

Different seating arrangements

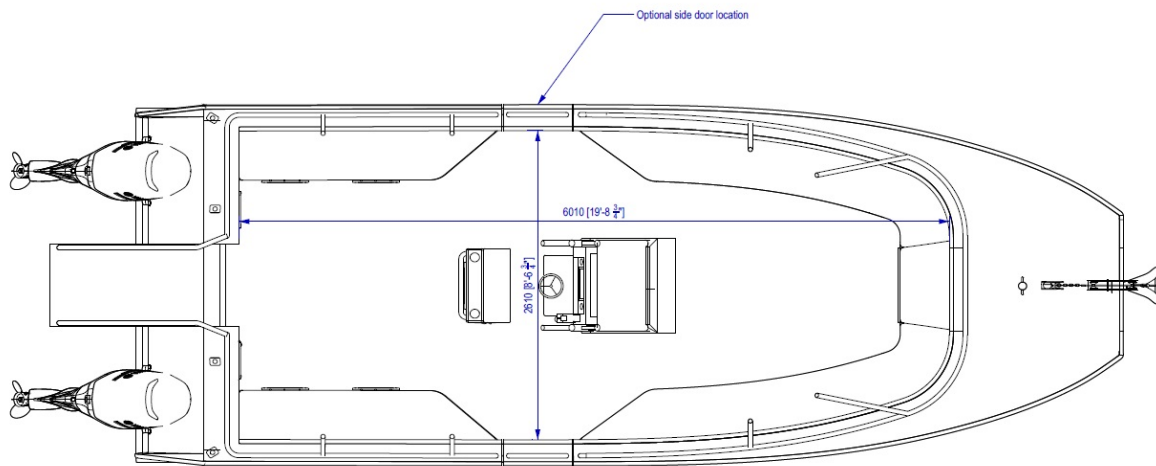

Cargo capacity to 400 Kg.

Side doors

Dive ladder

Surfboard rack

We can ship this catamaran anywhere at very reasonable costs.
