Based in Estonia Water Mate Boats is a very experienced builder of aluminum boats for professional users.

The A012 SAFARI is an eye-catching model specifically developed for commercial operators who need a tough boat suitable for tourist services in shallow waters. The standard layout is for passenger services but the boat can also be customized for diving, snorkeling, fishing, or even cargo duties.

The boat has CE Certification in Category B (Offshore, winds to 40 knots, waves to 4 mt).

A012 SAFARI is available for 2 X outboard petrol engines or a single inboard diesel engine with sterndrive.

Main Characteristics:

Length: 11.99 m

Width: 3.19 m

Draft: 0.6 m (loaded, no engine leg)

Total Height: 3.55 m

Weights :

Empty Weight: ~3500 kg

Max Weight: ~6000 kg

Max Load: 2500 kg

Capacities :

Passenger Capacity: 20 persons

Crew: 2 persons

Fuel Capacity: 500 Liter

Power/speed :

400 hp - 31 knots

500 hp - 34 knots

600 hp - 37 knots

700 hp - 40 knots

Built to be strong and reliable A012 SAFARI is a perfect choice if you require a safe and versatile platform, able to perform even in shallow waters. The hull has been specifically designed for low wash and its 6 mm thick aluminium construction allow safe landing in any situation.

The boat has been designed to attract attention and has a number of features of special interest for the commercial operator. Seats are mounted on runners so that they can be easily moved to create space for cargo

The bow is designed to allow easy landing even where no quays or jetties are available. Its shape permits also an easy access to the boat for people in wheelchairs.

The standard boat includes :

Navigation lights

Search lights

Cabin light

Passenger seating: 20 persons (5 benches)

Crew seating: 2 persons
