Price 160,000 EUR

Beneteau Oceanis 46 keep getting better looking while retaining the consistent quality and good finish that keep owners coming back as they move up in size. The 46 could be an "ultimate boat" for many sailors who have experience in smaller vessels and are now looking for a stylish, fast, spacious boat that they can continue to sail into their retirement years.

The boat is in excellent condition like new. Ready to go. No incidents or whatsoever.

New refitted rigging since May 2020 with 32% increased strength.

The hull is painted with latest edition of International Silicon antifouling paint from 2019 and can be used for 7 years.

There are a lot of spare parts available. Many additional extras can be seen on inspection.
