Established in 1993, Grani Ltd Shipyard is a builder with a large portfolio of workboats and an excellent record of repeat customers .

Very well built and with a short delivery time stock designs include fishing boats, patrol boats, diving support vessels, pilot boats, tugs, and passenger vessels. The shipyard has invested heavily on a full range of various steel processing machinery and outfitting equipment and can deliver even complex vessel in reasonable time frame.

Over 60 vessels have already been delivered and SeaBoats are proud to market them all over the world.

SF1750 CAT K&C is about to be completed at the shipyard's facilities in Kherson (Ukraine), with sea trials scheduled for the end of June The vessel has been specifically designed to assist in a very diverse range of diving activities and projects, and she will be ready for delivery to a new Owner by the beginning of July.

With an integrated 4 point-mooring system, a 20T winch with stern roller & A-frame, this workboat with an LOA of 17.5m, beam of 8m and draft of 1.3m can be perfectly used for many applications in marine construction works.

A moonpool, 2 generators, a powerful compressor, a water blaster and diving units are built in for quick deployment and general assistance. The K&C ONE with its 6 berths is therefore indisputably versatile and defines 'multipurpose'.

Additional equipment, if required, can be easily installed by the shipyard.

Built: 2021

Flag: Togo

Trading Area Coastal Waters (up to 30nm)

Call sign: TBA

IMO N/A (GT< 100)

Classification Society: Novell / Phoenix

Class :Ship Special Service / Workboat

Class Notation: I+HULL*MACH Special Service

PRINCIPAL DIMENSIONS

Length: 17.5 m

Breadth: 8.0 m

Draft: 1.26 m - 1.85 m

GT: 69.9

NT: 21

Free Deck Space: 102 m²

MACHINERY/ PROPULSION

Maximum speed: 11 knots

Economic speed: 9 knots

Main engines: 2 x Cummins QSB 6.7

Propulsion: 2 fixed pitch propellers 4-blades

Power Output: 2 x 340hp = 680 hp / 500kW

Auxiliary engines: 1 20 kW + 46 kW (380/230 V - 50 Hz)

TANK/ STORAGE CAPACITIES

Fuel: 25 m³

Fresh Water: 3.7 m³

MISCELLANEOUS

Hydraulic Deck Crane Heila HLRM 65-3S, 6.3T@11m

Moonpool 1.2 m x 1 m

4-point mooring 200 m front + 100m stern

Pushing fenders Reinforcement in front

AH/Towing winch 20 T + stern roller

Frame

Wood floor cover deck

Water blaster High pressure Den Jet CE20

Compressor Kaeser ASK 40 SFC

NAVIGATION & COMMUNICATION SYSTEMS

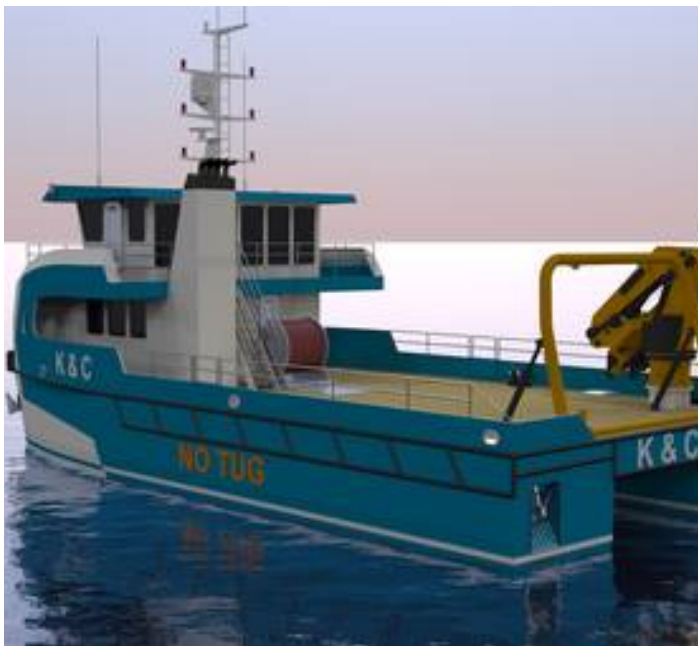

Fully equipped GMDSS A1-A2

ACCOMMODATION

Berths 6 (3 cabins double berthed)
Spacious office / survey room
Fully air-conditioned
2 toilets
