General Description

Established in 1996, Izmir Shipyard is a builder with a focus on high performance vessels of Aluminium, Steel or HDPE construction.

Stock designs include patrol boats, pilot boats, workboats, and utility crafts for commercial and public customers. Over 50 vessels have already been delivered and SeaBoats are proud to market them all over the world.

IZ 1550 Fish Farm Steel Boat provides excellent maneuverability and high performance even in rough sea conditions due to its catamaran hull structure and its highly sophisticated balance distribution. IZ 1550 Fish Farm Steel Boat has proved to be very durable, safe and useful for fish farm support activities. IZ 1550 is a multifunctional boat for fish farms, offshore activities, commercial diving and thanks to its large deck working area it can also be customized to owners's requirements such as ocean cleaning, fire fighting, deck crane operations and marine constructions.
