Comfortable yacht for a great number of people waiting more or space to relax.Awesome during a famiyi or friends holidays.A large amount of space below deck in the cabins,bathroom,kitchen and living room.

This is a great family cruiser from Bavaria, which is much improved in the fit-out quality and layout stakes compared to some past models.In addition to her comfortable, bright and very practical interior , she has an impressive sailing performance. She is quick, tracks well, is vice-free and easy to handle. She really showed her mettle in the strong gusts, only breaking free in a gentle round-up with 20 knots plus over the deck under full sail.

In all, she's very good value for money.
