### Vessel History

In 2014 owner has carried out another massive refit work on her while on dry-docking in Phuket, Thailand. The refit involving installation of new air conditioning system in saloon and cabins, new paint all over hull and superstructure, replace teak decks on main deck and flybridge, new stylish framed windows in saloon and forward windshield, new carpet on lower deck interior, installing new LED courtesy light , as well as redesign a cabin on the starboard side.

### Comments

This vintage lady, despite her age, she still in immaculate condition. Thanks to the constant care of her 2 professional full time crew and the endless attention from her owner. She is also available for day charter. Appointment to view and inspect her is very much welcome!
