The sale includes one fully overhauled spare main engine ready for installation and some refurbished used jet components. Operating hours on the main engines are not clear due to the replacement of hour meters a few years back, however best estimate is approximately 12,000 to-15,000 hours since construction. Currently engines are around 2500 hours since overhaul.

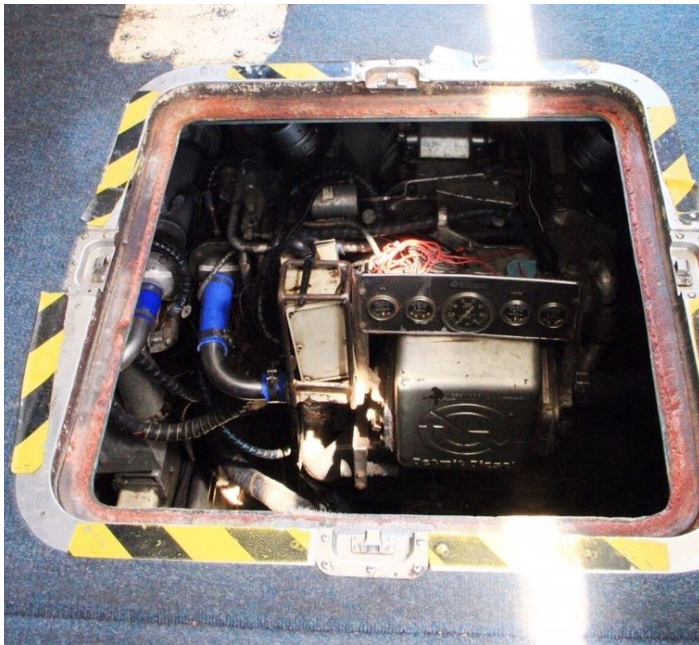

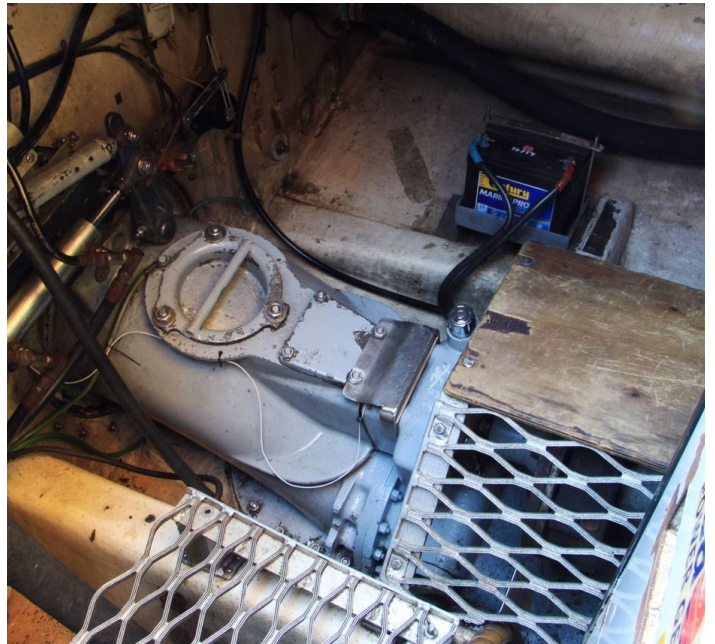

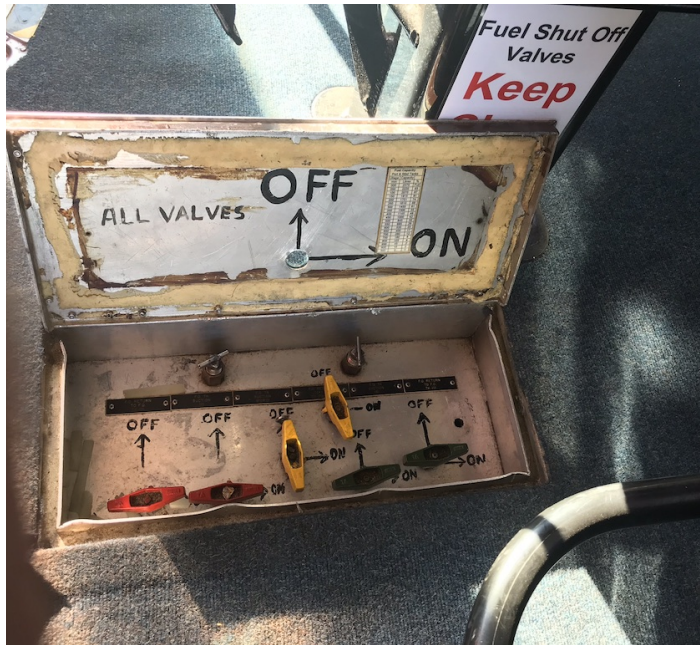

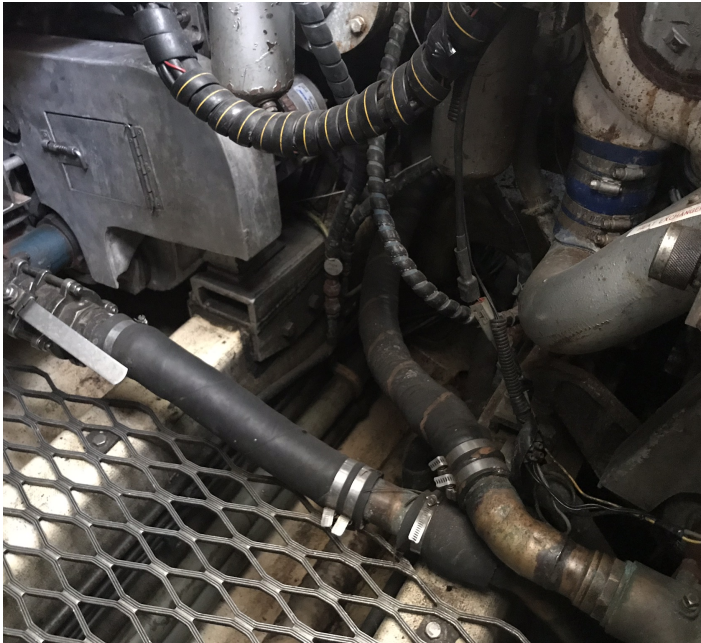

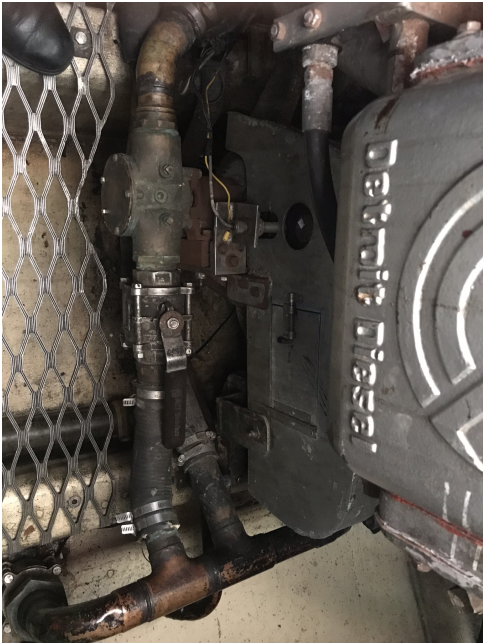

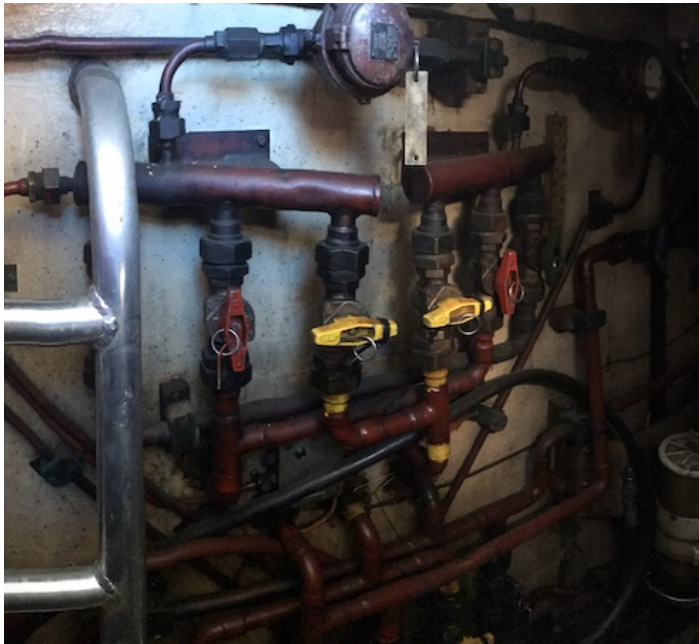

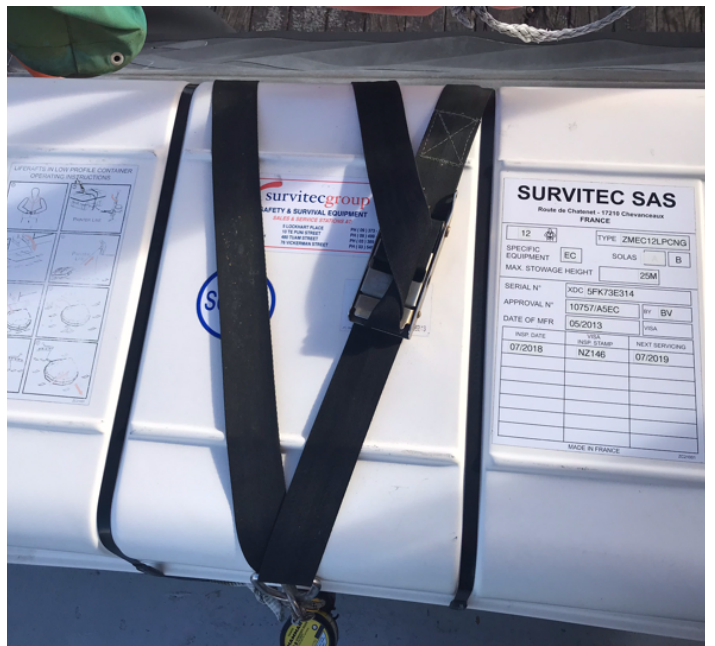

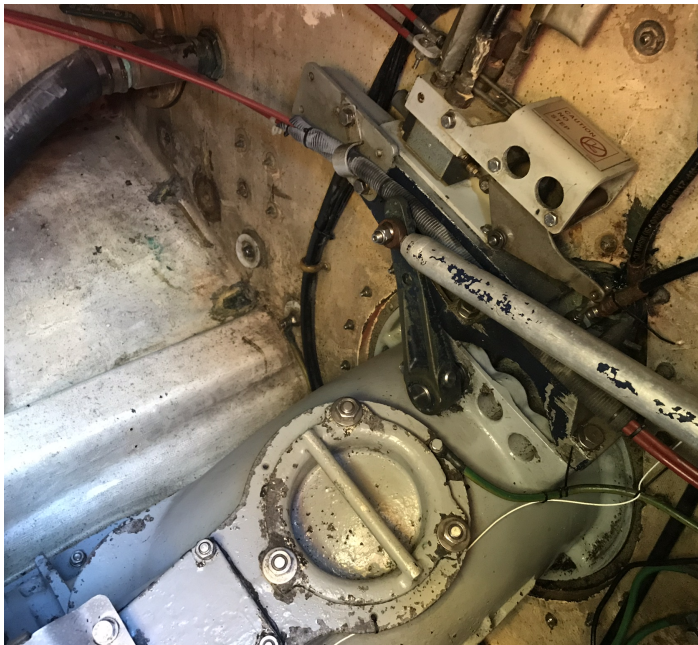

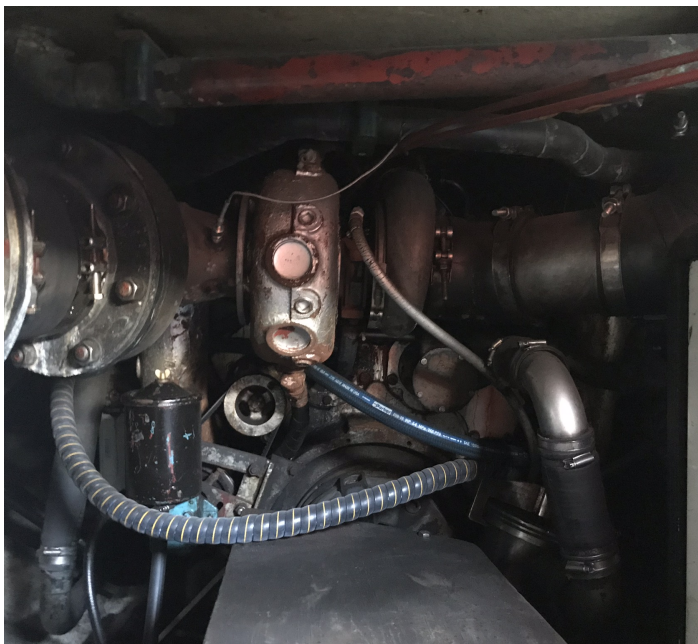

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
