Price USD 4.4 million

Builder: Naval Yachts
Naval Architect: Michael Schutte
Interior Design: Karine Rousseau
Exterior Styling: Michael Schutte

Loa: 23.90 m
Lwl: 21.6 m
Beam: 10.3 m
Draft: 1.0 m
Max. Speed: 14 kts
Range @ 10 kts 1.200 nm
Year: 2022

Displacement: 65 t.
Fuel capacity: 7000 litres
Fresh Water Capacity: 1200 litres
Watermaker: 2400 liters/day
Construction Material: 5083 Marine Grade Aluminium
Classification: CE A Open Unrestricted

Machinery

Engines: 2x JD 500 hp
Gear Boxes: Twin Disc ½ .5 Reduction
Steering: Wills Ridley Hydraulic Steering with back-up
Bowthruster: Side Power
Main Generator: Cummins Onan 20 KVA (Optional)
Electrical System: 11/24V 60Hz 3 Phase
Shore Power: 20 Kw
Batteries: 50 kWh Firefly Carbon Foam Batteries, Victron Emergency Batteries, Firefly Carbon Foam Service Batteries
Air Conditioning: Marvair 70000 BTU w/2 stage chiller
Watermaker: Delfin Brand 50lt/h capacity
Other Machinery: Tender Davits 1t capacity

Accommodations

Main Deck:

Master Cabin 01: Queen Size Bed, 55" smart TV 3D sound, Couch and Wadrobe

Master Cabin 02: Queen Size Bed, 55" smart TV 3D sound, Couch and Wardrobe

Navigation: Furuno VHF NX700B with Active Antenna, Furuno SC30 Satellite Compass w/NMEA Interface, Humphree Interceptor System, Furuno DFF1 Echo Sounder Navget, Furuno DRS4A15 Radar, Simrad AC12 Autopilot Computer with AP28 Display, 3x17" Hatteland Display Monitors, Furuno 1kW 200 kHz Transducer on Port, Furuno 1 kW 50 kHz transducer on Starboard Foredeck Equipment: BBQ

Tender & Toys: Zodiac

Diesel Engines:

JOHN DEERE 500HP x 2 diesel engines and Twin Disc Gear box. This configuration gives better performance and extra safety. JD Engines have worldwide service network, easy to find spare parts and are known as low maintenance

engines. The cruise speed is 9 knots and Maximum speed of the vessel is 14 Knots.

Parallel Hybrid Propulsion (Optional): 50kw x 2 e-motors + 200 kwh Lithium batteries controlled by an electro mechanical clutch. E-Motors work as a genset while diesel engines are running. 28 nautical miles range on electric motors at 7 knots. No smell, no exhaust, no noise, fuel efficiency, fuel saving, free access to extra sensitive and protected environments and many other features.

Solar Power: 50 sqm solar panel area which generates 12,5 kw/hour. If considered as 6 hours of efficient sunlight in a day; the solar panels generate 75 kw/day which is not only enough for house load but also enough to load the Lithium batteries.

4 Cabins Layout: 2 Master Cabins + 2 VIP Cabins+ 1 Crew Cabin Enormous Areas in Saloon and the Aft Deck: Saloon has been specifically designed by keeping her outstanding stability performance and nice look. Saloon height and inner volumes height have been also raised. In the saloon, the ceiling is 5 mt. (16 ft.) high and it has an inside balcony with a panoramic view in the saloon. There is a huge aft deck area and two swim platforms where you can enjoy your time with your family and friends.

Steering System: Wills Ridley Brand from U.K. has been applied. Independent rudder control for dynamic positioning system accuracy and maneuverability. An easy valve operation for keeping rudders in sync while using manual helm pump. Both pumps and cylinders have back-up for safety.

Dynamic Positioning System (Optional):

Two independent rudder control systems, larger bow thruster and the control unit makes the boat positioned in the same position without anchor. Another innovative system on XPM boats.

Advanced Navigation, Automation and Alarm Systems: All controls and monitoring of systems are on one system with additional back up configurations. Integrated helm station and ship MIMIC diagrams covering navigation and all machinery plus ship alarms, CCTV, horn and navigation light arrays.

Advanced Safety Systems for MCA Compliance (Optional): MCA Certification requires many safety regulations and they are quite strict but makes the boat super safe. By getting MCA cert. The XPM78 will be proven about safety concerns. Also MCA enables commercial chartering license worldwide.

Certification: All XPM boats are certified with CE A Open Class and MCA (optional) through international approved institutions.

Equipment that have worldwide services: Our main goals is to go far and to go everywhere with any XPM boat. All XPM equipment are equipped by worldwide known and certified brands. They are all proven products and worldwide service network. In long passages, no matter where the boat is, any technical problem on equipment and systems can be fixed easily and any spare part can be found easily.

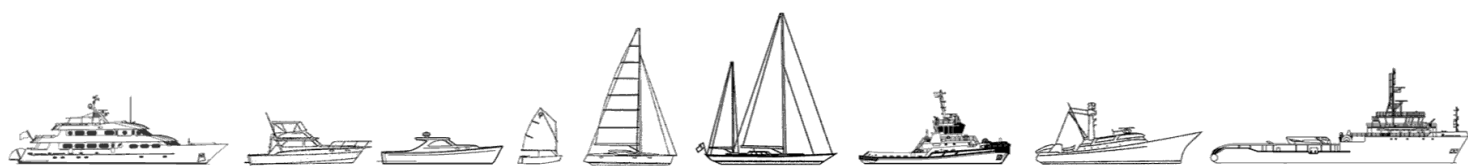

After Sales Warranty Package: We are behind our product. We keep our good relationship with our clients and we are aware that best marketing and selling point is to keep our clients happy even after delivery of the yacht. We have a wide range of warranty package.

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
