Price POA

GN60 is an "aluminum hybrid trawler yacht" that offers high naval experience to yacht lovers.

Greenaval 60, is the longest model of our hybrid boats. This model has 2x 370 HP Volvo Penta diesel engines and 2x 150 kW electric motors. GN60, which offers 16knot cruise speed with diesel option can achieve 11,5knot cruise speed with electric motors.

Upper housing and shell manufactured from marine aluminum by highly experienced team, provide higher performance and fuel saving in low-speed for GN60. GN60 allows 25mile free daily cruise range with one charge.

GN60, supplied with a specifically designed special aluminium tender, has 3 cabins two of which are full-beam master cabins. With offering separated crew cabin and bathroom, this hybrid boat's saloon provides 360-degree panoramic view. Crew cabin and the engine room can be reached from the inside of the saloon with stairs.
