We are pleased to offer superb custom made models by a highly skilled Chinese Scale Model Design Building Company. They build high quality scale models from drawings and pictures provided by clients.

Whilst usually utilised by people and companies in Off-shore, Maritime, but also Industrial, Aerospace, Engineering, Construction, Consultancy and Training Institutions, they can also do pleasure boat models, in fact virtually models of anything.

Past projects we included models for Tug, Research & Support Vessel, Fast Workboat, Yacht, Oil Tanker, Oil & Gas Platform, Working & Display Unit, as well as Motor and Sailing Yachts.

Each of model is hand constructed with great precision and intricate detail. All models are constructed by expert and well trained craftsmen, with great diligence and pride to ensure the quality and perfection.

To make these models, materials are sourced from China and all around the world to ensure the highest quality. Materials like special fibre glass and sheets, tubings, fittings, structural components and accessories from selected plastics and metals are used to construct the models. This enables the construction of Light, Rigid, Non Deformable Models with Excellent Finish.

Models of any size and any quantity can be produced at reasonable prices with safe delivery to any country!

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
