Tracker Hairu is the ideal vessel for coastal patrol, a sleek, high speed and futuristic defense mechanism. Developed for quick response in rough conditions, and deployable on long-trip patrols, Tracker Hairu is the bleeding edge of coastal patrol vessels in the industry.

Single striated v-hull and twin engines provides the vessel with a comfortable yet high speed movement in moderate waters. With ample aft deck space, below-deck accommodation and cabin seating; the Tracker Hairu's functionality extends from covert patrol missions to VIP transport, extending a truly versatile boat.
