12.9m Amphibious Multipurpose Dredger For Sale

Listing ID - 4482

Description	Amphibious Multipurpose Dredger For Sale
Date Launched	2021
Length	12.90m (42ft 3in)
Beam	6.80m (22ft 3in)
Draft	1m (3ft 3in)
Note	1x Cummin Engine
Location	Baltic
Price	Euro 530,000

Built: 2021, China

Hull Material: Steel

Flag: Lithuania

Class Society and Notation: RINA Dredging Unit

Next SS: November 2031

Classified for inland waters only

LOA: 12.90m

Breadth: 6.80m

Depth: 1.84m

Draft: 1m

NT: 30 tons

GT: 50 tons

Crew: 1 people

Machinery

Total power output: 361 bhp

Main Engine(s) (make,type): 1 x Cummins NTA855

Additional Information

Sand pump

Bucket

Grab

The self-floating hose Crew – 1 people

The lifting capacity of the equipment – 4 t.

Maximum suction and digging depth – 6 meters from water surface.

Operating conditions (temperature) - air -50 C /+350 C; water 00 C/+250 C.

Operating conditions - Maximum River current speed – 2,0 m/s. Maximum wave height – 0,5 m

Equipment suitable for use on land and in the water.

Built according to European Union standards to operate in inland waters.

The hydraulic system is installed with the highest quality hydraulic hoses.

The hull and boom of the equipment are reinforced and meet quality standards.

Builder's warranty 1 Year.

Documentation is added: technical project and specifications; user/operation manual; equipment instruction (engines, navigation, hydraulic system and etc.); spare parts catalogs and etc.

1 Vessel has operated for up to 400 working hours and the 2nd is NEW.

The vessels can be purchased separately.

The structure of the amphibious excavator includes:

- 1) working device
- 2) working arm
- 3) swivel base
- 4) air conditioner, autonomous heating system
- 5) cabin
- 6) engine room
- 7) navigation lights
- 8) positioning spuds
- 9) propeller system
- 10) Walking platform
- 11) side pontoon
- 12) middle pontoon
- 13) crawler pontoon, etc.

Cabin equipment:

- 1) Navigation system
- 2) Echo sounder
- 3) Radio station
- 4) Wind direction and precipitation sensor
- 5) Fire detection system
- 6) multifunctional control system
- 7) Transparent blinds, etc.

Additional Equipment

All, below listed equipment, can be used by both of dredging/digging united.

0.8 m³ digging bucket ×1 piece

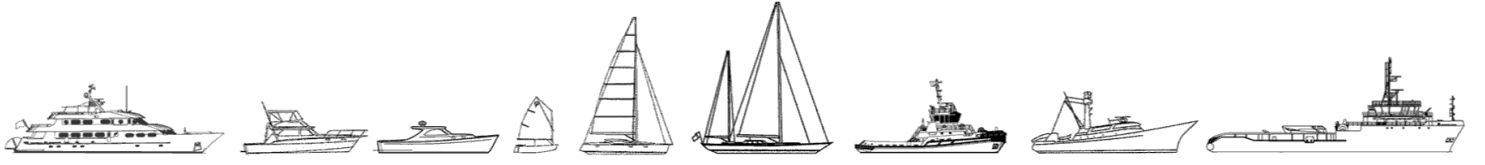

0.8 m³ stone removal grab ×1 piece

Sand Pump

Pump (water and soil mixture) content (capacity) - 500

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
