**Price** €7,950,000

**Price Notes** US Duty paid

### Overview:

This remarkable 39M/127' sailing yacht seamlessly combines comfort and performance. Designed by Dubois with the directive to create a world-capable sailing yacht. This aluminium Fitzroy built yacht is truly a "Best in Class" vessel. What sets her apart on the market is her 4-stateroom layout and exceptional condition following an exhaustive refit in 2022.

Boasting a new sail package with minimal use, this seaworthy yacht is the ideal choice for discerning sailing enthusiasts. During her refit, significant investments were made in updating her exterior sailing systems, including substantial mechanical refurbishments.

With an expansive exterior, the yacht also features 180-degree immersive views. On the bow, the generous sundeck offers a lounging area for guests which is complemented by an awning to provide respite from the sun's rays. The aft

deck hosts a sheltered dining area for enjoying al fresco meals adjacent to the twin cockpit. A spacious area behind the main cockpit provides additional space for relaxation and easy access to the hydraulic drop-down swim platform.

The interior originally designed by RWD, was transformed by H2 Yacht Design in 2022. The result is a comfortable living area, distinguished by a comprehensive redesign of the interior décor and furnishings. Boasting a warm colour palette with neutral and cream shades, the retrofitted interior focuses on creating an inviting space for social gatherings. This intention is seen by the versatility as well as the specific arrangement of furnishings in both the upper and lower salon.

The yacht offers a blend of comfort, safety, and agile sailing performance all within a manageable size that allows for lower crew requirements. With an illustrious racing record it is well-suited for both global adventures and comfortable cruising excursions.
