It is time to introduce a face to the name many of you will see on a regular basis.

Cassandra Martinez is our listings manager and based in Southern California (or LoCal to some) with her husband and daughter. Cassi is also the daughter of one of our Directors, Geoff Fraser and grew up around boats.

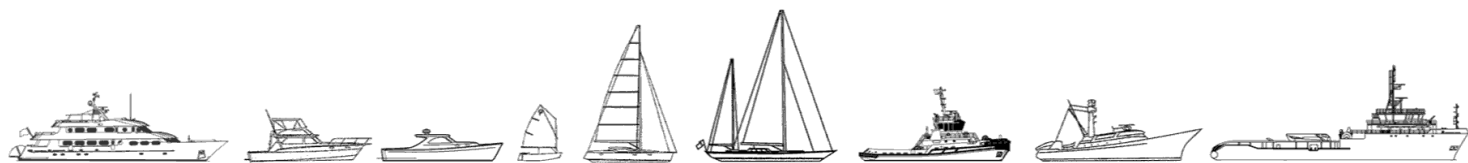

Sailing as a tiny tot and also had a strong equestrian bent with competitions at an early age. As a tiny tot on the family yacht she was known as a bit of a "helm hog" and has over recent years been drawn back to the marine world.

Cassi is the one who every day circulates our listings to other Brokers and Sector Groups and is the first stop for most enquiries making sure that they get to the right person.
