Beam 5.7m (18ft 8in)

Draft 1.8m (5ft 10in)

Location Italy

Price EUR 195,000

GENERAL DESCRIPTION

Built by Benetti, one of the legendary Italian shipyards, the "Super Gabbiano" was one of the more successful models produced by this historical builder, with many units exported especially in U.S.A. and the Middle East.

The Super Gabbiano was some of the world's best metal (steel hull, light alloy superstructures) boatbuilding, but this one we offer for sale needs serious refurbishment work. However she was very well built and the attention she requires is more cosmetic than structural.

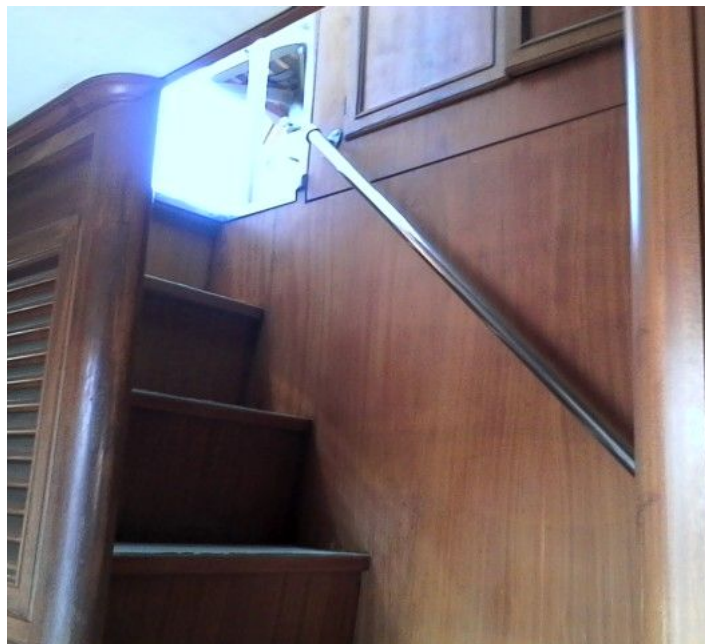

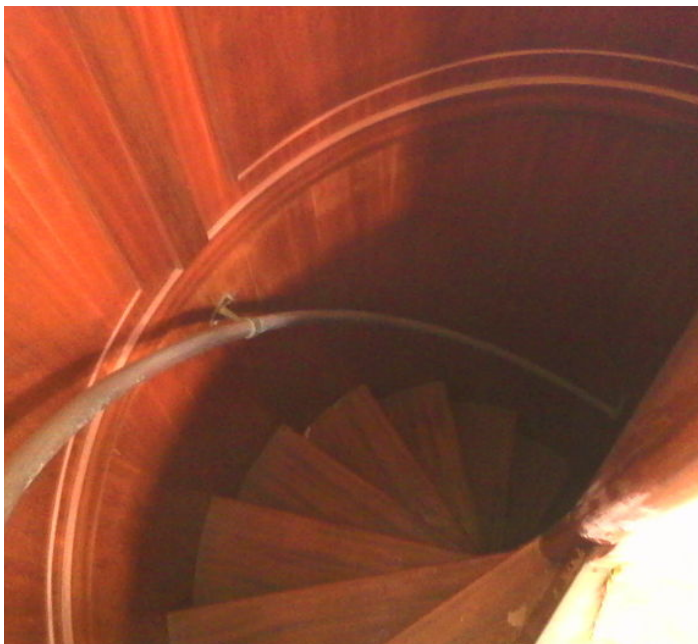

With a max length of 27.5 mt (registered length less than 24 mt) this is a large yacht, very suitable for both private use or charter work. Inside she is very comfortable, with large and well laid out common areas, 5 cabins for the guests plus 2 for captain and crew. There are a total of 14 berths and 6 bathrooms. Headroom is 2.3 mt

This yacht has been designed to deliver good performances with limited power requirements: 2 X 550 Hp GM 12v71t Detroit diesels (with 1400 hours) push her at a cruising speed of 12 knots with low fuel consumption. Maximum speed is over 15 knots, range over 2,000 miles.

This motoryacht has full CE Certification (Cat A).

The vessel is in the dry in a shipyard and the price includes a partial refurbishment (repairs of the structures and complete revisions of engines, fuel tanks and system, electric plant).
The same shipyard can carry out a complete restoration if required.

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
