The new VIGILANT 18 RHFC (Rigid Hull Foam Collar) workboat is similar to the Industry Standard Rigid Hull Inflatable Boat (RHIB) except that we have substituted the inflatable collar with a puncture proof foam collar! This special foam collars are made from Closed Cell Foam and then covered with our special spray technique to encase the foam collar with our proprietary PU skin. To make it even tougher, we double reinforced the PU skin with reinforced netting to make it virtually indestructible.

The Vigilant 18 RHFC is a premium quality workboat that is unsinkable even when totally flooded with water and is suitable for inshore and offshore use.
