Established in 1993, Grani Ltd Shipyard is a builder with a large portfolio of workboats and an excellent record of repeat customers .

Very well built and with a short delivery time stock designs include fishing boats, patrol boats, diving support vessels, pilot boats, tugs, and passenger vessels. The shipyard has invested heavily on a full range of various steel processing machinery and outfitting equipment and can deliver even complex vessel in reasonable time frame.

Over 60 vessels have already been delivered and SeaBoats are proud to market them all over the world.

Specifically designed for coastal operations, this is a small but very powerful workboat. Can perform any kind of serious work in an economical and practical way : towing and pushing even large floating structures, and assist in all types of shore operations.

Of very heavy steel construction this mini-tug has a build time of just 2 months from order , and we can offer series production at the rate of 2 vessels/month.

Designed for easy road transportation we can ship the vessel to any destination at very reasonable costs.
