**Date** Built to Order

**Launched**

**Length** 11.17m (36ft 7in)

**Beam** 5.56m (18ft 2in)

**Draft** 0.55m (1ft 9in)

**Location** Italy, delivered anywhere

**Broker** Giuseppe Filippone

**Price** P.O.A.

The SEABUS are multi-role high-performance catamarans designed for a wide range of marine activities including day charter, harbour operations, freight transport, oceanographic researches, water sampling campaigns, environmental/disasters protection, fishing activities etc.

These vessels are built in Italy by SMC ITALIA, a company with a long history in the production of composite materials for the automotive, aerospace and marine industries.

Their production includes several different models up to 20mt length, that SeaBoats can now offer to their international clients.

The smallest of the series is SEABUS SB-330 is a multi-purpose catamaran for coastal navigation. It is specially designed for passengers but can also carry cargo or be equipped with crane, hoists, firefighting systems in order to support harbour activities.

SEABUS SB-330 Main Characteristics are the following:

Length ISO 8666 (Lh): 9.980 m

Length overall (LOA): 11.170 m

Beam overall (BOA): 5.560 m

Draught (T): 0.550 m

Freeboard (BL): 1.250 m  
Maximum speed: 14 Kts  
Cruising radius: 300 Nm  
Main engine: 2x 30 kW Mercury SEAPRO  
Fuel tank capacity: 400 Lt

This model is certified for a total of 24 passengers and two crew members. The 24 passengers can sit in a spacious, cross-deck, which also has a place for the pilot and navigator. If necessary, the storage compartments used as deck seats can be removed to load cargo. For passengers, the boat rails have a slide gate on each side. The boat can be equipped with outboard engines (2x30 kW Mercury SEA-PRO) and a total of four-hundred-liter fuel tanks. Diesel in-board engines can be installed, but a zero-emission propulsion by TORQUEEDO or OCEANBOLT is also available together with fast recharge system (less than 2 hours).

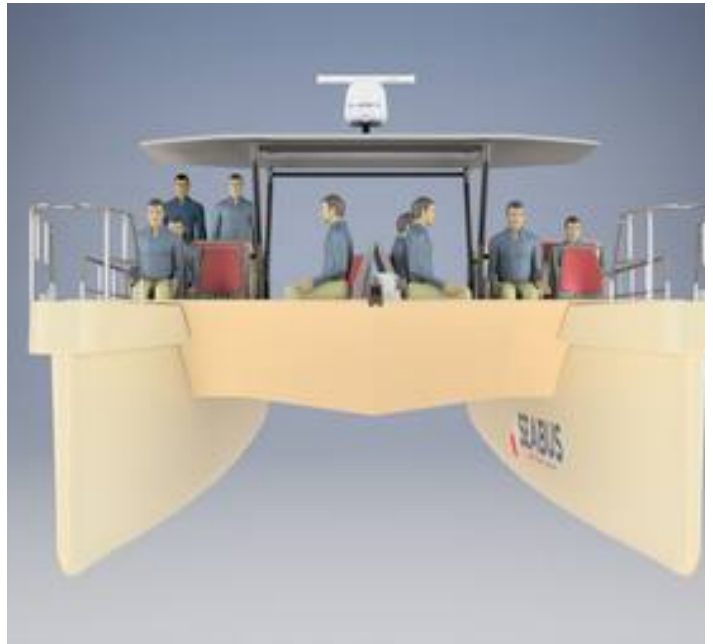

The details of all vessels are offered in good faith but we cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. Any buyer should instruct their agents, or their surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to sale, price change, location or withdrawal without notice.
