Vessel History

This Landfall 39 is currently with her seventh owner.

She has been based in Southeast Asia since 1988 when sold to her second owner in Singapore. The current owner acquired her in 2009 and been sailing her around Malaysia and Thailand water.

She is now on hard stand storage since early 2020.

Comments

This Landfall 39 is suitable for single handed or a small family of 3. Though one have to expect with the obvious old age she would requires some TLC especially on the exterior wooden section.

Mechanical wise; she has 76HP Turbo Charged Yanmar motor that is in good working condition. This old lovely old lady can accommodate up to 4 or 5 people comfortably. For classic yachts design enthusiast, she is a perfect deal! Large window in saloon area with plenty of headroom gives the interior a very homey feeling. If you concern about those feeling of getting a feel of stuffiness in a boat, a total of 17 various sizes of opening hatches and port holes makes air circulation and airing in this yacht literary a breeze. Definitely a great deal! Having started a family and with new baby in tow, her owner is motivated to sell as she is unable to sail her as frequent as she used to.
