Do you have a local yard that is capable of aluminium welding and vessel construction, but they don't have the design you need or are you such a yard?

We have a range of designs in the 10m to 40m plus range which that can be supplied in kitset form for you to build. Shipping costs to most parts of the world make the purchase of new builds too expensive for you to consider. The answer is our kitset, a complete package including a step-by-step building plan and fabricated units ready to be assembled. The whole kit will be shipped in containers and will include everything required to complete the vessel, including fittings, engines and all other equipment (if required). All you need is qualified aluminium welders and a construction site. Designed and fabricated in Australia. Our designs include:

- 17m Landing Craft
- 12m Open Coastal Ferry
- Alloy Passenger Vessels
- 12m Ambulance Boat
- 15m Coast Catamaran Ferry

- 15m SRB Coastal Ferry
